SUMMARY

Information and Communication Engineering undergraduate student with hands-on experience in software development, teaching, and leadership. Skilled in building AI-assisted applications and leading cross-functional teams to deliver impactful results. Seeking opportunities to create industry connections and apply technical problem-solving skills in a professional environment.

TECHNICAL SKILLS

- **Languages:** Python, C, C++, Java, JavaScript, SQL
- **Web & Database:** HTML, CSS, MySQL
- **Tools & Software:** Git/GitHub, Microsoft Office, Canva

EDUCATION

Bangladesh University of Professionals (BUP)	July 2023 – July 2027 (Expected)
B.Sc. in Information and Communication Engineering	CGPA: 3.76
<i>Relevant Coursework:</i> Data Structures & Algorithms, Operating Systems	
Dhaka City College	2022
Higher Secondary Certificate (HSC)	GPA: 5.00
Monipur High School & College	2020
Secondary School Certificate (SSC)	GPA: 5.00

KEY PROJECTS

VitalSync | *Python, MySQL, HTML, CSS, JavaScript*

- Engineered a comprehensive health-tracking desktop application to monitor caloric intake and rest periods.
- Implemented dynamic data visualization to generate weekly and daily statistical breakdowns of user health trends.

UniGig | *HTML, CSS, Python*

- Developed a freelance marketplace platform specifically tailored to connect university students with relevant gigs.
- Built and integrated a student mail verification system to authenticate users and ensure platform security.

RAM Checker | *Java*

- Built a utility program that dynamically evaluates and outputs system RAM types based on user-inputted bus speeds.

LEADERSHIP & EXTRACURRICULARS

- **President, BUP Robotics Club:** Direct club operations, foster strategic collaborations, and mentor members in applied robotics and engineering principles.
- **Organizer, Circuit Clash 1.0 (Nov 2025):** Directed a 100+ member committee to execute a national robotics event, managing logistics for over 1,000 participants from 64 universities across Bangladesh.
- **Associate Head of Documentation, BUP Photography Society:** Manage event coverage teams and conduct foundational photography guidance for members.
- **Organizer, Sfuron 6.0:** Coordinated a national photography exhibition having over 2000+ submissions and 250+ selected participants.
- **Participant, Robo Soccer:** Competed in Robo Soccer segments at major tech festivals organized by prominent institutions including BRAC University, East West University, CUET, KUET, and MIST.
- **Campus Ambassador:** Promoted inter-university robotics and photography events as a representative for institutions such as BRAC University, Independent University Bangladesh, and Sher-E-Bangla Agricultural University.
